

Managers' Monthly Certification of Foreign Employees

Employee License Monthly Review Form

All RSG employees who are non-U.S. persons (i.e. foreign nationals without permanent residency status), must be "red-badged" and covered by a DSP-5 "employee license" and/or an EAR "deemed exports" license) unless they are sequestered (including after-hours) from access to ITAR/EAR items or technical data associated therewith, including drawings, software, and other technical data, either electronic or hard copy. For all those employees covered by such ITAR or EAR licenses, the following form must be filled out and signed monthly by their supervisor. The forms must be turned in to the RSG Export Compliance Officer by the fifth business day of each month, who will maintain them for a period of at least 5 years following the expiration or termination of the associated export license.
